Tuition Payment

Prices listed below are for 5:30 PM pickup time. Please add \$5 per day to the following price list for 6 PM pickup time.

- ¥ 1 - 12 months: \$250.00 per week
- ¥ 24 months - Preschooler: \$250.00 per week
- ¥ Drop in \$10 per hour.
- ¥ One day a week charge is \$70
- ¥ More than one day charge is \$65

Payment is due on the Monday of the week in which care is provided. Tuition is payable in advance, on the first day of each week, no credit will be given for days of child's absence. For every enrolled child tuition is due whether a child attends Family Day Care Home (FDCH) or not.

This waiver cannot be made as an argument for prorating partial attendance in a week. The above payment policies apply to my absence/unavailability. In case of my emergency absence, credit will be given.

Open Door Policy

Parents are always welcome to visit their child at any time.

Enrollment

The first step in enrolling your child is to visit my home and determine whether the program meets your family's needs. If interested, another appointment is made as a second step. At that time, an enrollment packet is completed and deposits are paid. A record of the child's immunization, and a recent photo of the child are also required. The following is a list of forms that you will need to enroll your child.

- ¥ Child's Immunization Record
- ¥ Child Admission Record
- ¥ Parent Provider Agreement

Registration

All families enrolled in my FDCH have to register once a year at contract time.

Substitute Care

In case of an emergency in my family or on my personal holidays, I will take days off that may not coincide with your time off at work. In such an event, you will have the choice of either taking your child to a recommended substitute provider or making your own arrangements.
